

UPTEMPO is looking for Dogmen!

(Dogmen often work in teams and are primarily responsible for slinging loads and directing the Crane Operator when the lift is out of their view via the use of radio communication, whistles and hand signals.)

Join us in building NZ's infrastructure. No experience needed, training is provided, starts on 22 May 2023! Take your career to the new level!

Requirements:

- PASIFIKA
- MUST NOT BE AFRAID OF HEIGHTS
- No experience needed - just attend a 10-day training course which pathways to 100% guaranteed employment
- \$26 per hour starting rate
- Restricted Driver's License
- Positive and pro-active approach toward teamwork
- Good written and verbal communication skills
- A strong safety awareness and ability to follow our lifesaving rules
- Ability to work under pressure, determine priorities and follow instructions

Key responsibilities include but may not be limited to the following:

- Working with crane operators providing guidance for the safe lift movements on construction site.
- Communicating via audio and signalling
- Identify loads that are safe, taking appropriate actions for unsafe loads.
- Apply suitable slinging techniques, assist with the checking of equipment to ensure they are safe for use
- Ensuring that health and safety processes are followed, minimising and reporting any unsafe activities.
